

# Linguistics Career Launch

from coursework to career

## Sponsor Success: Empower Students

### What is Linguistics Career Launch?

[Linguistics Career Launch 2024 \(LCL24\)](#) is a two-week series of *courses, talks, workshops, and events* (July 15-26) designed for linguists in all stages of their career who are actively pursuing work outside of traditional tenure-track paths.

[Linguistics Career Launch](#) is a program offering of the Linguistic Society of America (LSA). Registration is NOW OPEN at <https://www.eventbrite.com/e/linguistics-career-launch-2024-tickets-865667594077>

### Understanding the job market for linguists

[LCL24](#) is focused on introducing linguists to careers in industry, government, nonprofits, and entrepreneurship. It's a great opportunity for your students to learn how to market their linguistics training, build their networks, and understand the vast number of opportunities they can pursue. *We also encourage departments to send professors, faculty/staff, and post-docs, who can pass on valuable career information to their students.* Departments committed to professionalization excellence set their students up for success!

### Why sponsor your students? With your help, they'll be able to:

- ★ Network with other early career linguists
- ★ Attend office hours and mixers with established career linguists
- ★ Learn tips and tricks for breaking into industry
- ★ Improve their resume and job-search skills
- ★ Extend their knowledge through courses on [career discernment](#) or [document design](#)

### Why send faculty or staff? They will:

- ★ Learn about the current job market for linguists
- ★ Gain career insights to better prepare students interested in work beyond academia
- ★ Network and grow their personal connections
- ★ Grow university connections with organizations that hire linguists

## Group Rates

We are offering a special group rate for universities to sponsor tickets!

Register four people from your department for a total cost of \$750.

💰 Save over \$100 by purchasing a group ticket! 💰

You can send a mix of faculty and students on the same group ticket. Interested in sending more than four people? Email us at [linguisticscareerlaunch@gmail.com](mailto:linguisticscareerlaunch@gmail.com) for information on additional discounts.

Reserve your department's spot now via Eventbrite
